

BLACKSMITH'S GUILD

Time was the Blacksmith's Guild made a fortune in outfitting the armies of the Century Wars. But then, that was years past, and they were hit hard in the aftermath. A lot came out of the unification of the Empire of the Free Cities, but one of the sanctions which doesn't get talked about? A law limiting the sale of weaponry by the Blacksmith's Guild to an exclusive contract.

And who can they sell weapons to under this law? That's it, you guessed it. The other Guilds, and not a soul else.

Sounds unfair, doesn't it? It should! Came directly from the other Guilds, when they saw how rich the Smithy's were getting.

You've probably never seen their like. No captain, oh no... instead, they invite Masters from all over to come and play for the Guild. The actual captain for each game is chosen behind the scenes. Makes for a varied playstyle, that's for sure. Clever way of keeping your opponents guessing, I reckon. But I don't know that it's not their worst enemy too. Must be hard to figure out a game plan when you have no idea who your captain will be...

—Tapper, Brewer's Guild Team Captain

BLACKSMITH'S GUILD

GUILD RULES

Forge Master

Immediately before setting up, choose one friendly Master model to be the Captain. The Captain loses the Squaddie model type and gains +0/+2 INF and the Captain model type for the duration of the game.

Apprenticeship

When picking a Blacksmith team, exactly half the models must have the Master model type, and the other half must have the Apprentice model type.
